APPLICATION FOR BUILDING PERMIT

INSTRUCTIONS

THE FOLLOWING DOCUMENTS ARE TO BE SUBMITTED WITH APPLICATION:

1. Application must be completely filled in, typewritten or printed in ink, and submitted to the Building Department. **Along with a pre-application fee of: \$45.00 for residential and \$100.00 for commercial.**
2. Two (2) copies of a plot plan, drawn to scale, showing the location of all existing and proposed buildings and structures, including the known (or assumed) location of any septic system components, underground utilities, etc., and indicating distances to all property lines (setbacks) for all existing and proposed improvements.
3. Two (2) copies of plans and specifications showing/describing the proposed construction, in sufficient detail to confirm compliance with all codes, laws, rules and regulations applicable to the proposed construction.
4. Proof of homeowner's insurance and liability certificate of insurance.
5. Proof of contractor's liability and workers compensation insurance, naming the Town as a "Certificate Holder".
6. Road access permit from the appropriate authority where work involves new or improved road access:

Town of Montgomery Highway Department for Town roads.
Orange County Department of Public Works for County roads.
New York State Department of Transportation for State roads.
7. A Sanitary Waste Disposal Permit from the Town Engineer or availability of public sewer connection must be approved.
8. A site specific "Storm Water Pollution Prevention Plan" or acknowledgement that the Town's Standard SWPPP will be utilized.

Incomplete applications will not be accepted for review. Incomplete or inadequate plans may delay approval of your application until complete/adequate information is provided.

The scope of work covered by this application and accompanying documents shall not commence prior to approval and issuance of a permit by the Building Department.

Upon approval, and receipt of the appropriate fee, the applicant shall be given a permit, inspection sheet, permit card (to be displayed prominently on site during construction), and one set of plans and specifications to be kept on site at all times for use by the Building Department during inspections.

NO BUILDING OR STRUCTURE FOR WHICH A PERMIT HAS BEEN ISSUED SHALL BE USED OR OCCUPIED FOR ANY PURPOSE UNTIL A CERTIFICATE OF OCUPANCY/COMPLIANCE HAS BEEN ISSUED BY THE BUILDING DEPARTMENT.
