SUPPORT THE RESURFACING OF ROUTE 211

PETITION TO SUPPORT THE RESURFACING OF ROUTE 211

Assemblyman Brian Maher is calling on all Town and Village of Montgomery residents to sign his petition to ensure the New York State Department of Transportation prioritizes the repaving of Route 211 from Dunn Road to Ward Street in the Village and Town of Montgomery. We are advocating that this project be fully funded in 2026. **Sign below to show your support and help us deliver the safe, reliable roads our community deserves.**
