

# FAITH, FAMILY, MEMORY: Honoring Black History Month Through Brain Health

**Sunday, February 22, 2026 | 4:00PM EST**

**To register for this program, scan the QR Code below or email  
[npezzullo@alz.org](mailto:npezzullo@alz.org).**

Join us for a powerful and informative program focused on advancing health equity and promoting brain health within the Black community. This event will highlight the Alzheimer's Association's Purple Sunday Initiative and feature guest speakers from our valued partners.

**•Alzheimer's Association, Hudson Valley Chapter:**

Receive an overview of current advancements in Alzheimer's and dementia research, access to testing and treatment, and the essential role of representation in clinical studies in achieving health equity.

**•Delta Research and Educational Foundation (DREF):**

Learn about ongoing research that advances Black women's health and underscores the importance of greater African American participation in research and clinical trials.

**•NAACP White Plains/Greenburgh – “Ace Your Health” Initiative:**

Discover how community health assessments identify needs, raise awareness, and support early detection

**•National Council of Negro Women (NCNW) Hudson Valley Section:**

Discover healthy habits that support long-term wellness.

Thank you to our partners:

**NAACP**
